 **Read each passage carefully. Use clues from the text and your background knowledge to make an inference. Write your answer in a complete sentence.**

**Q1:** Maria walked into the house soaking wet. She put down her umbrella and took off her muddy shoes. What can you infer happened outside?

---

**Q2:** When the teacher handed back the test papers, James smiled widely and sat up straighter in his chair. What can you infer about James's score?

---

**Q3:** The lights were off, the curtains were drawn, and the cake sat on the table with unlit candles. Everyone whispered quietly.  
**Question:** What can you infer is about to happen?

---

**Q4:** Liza kept glancing at the clock and tapping her pencil on the desk. She sighed and stared at the door.

---

**Q5:** After the final whistle, the players jumped up and hugged each other. Some even threw their hands in the air and cheered.  
**Question:** What can you infer about the result of the game?

---

**Q6:** The dog barked and scratched at the door when its owner grabbed the leash.  
**Question:** What can you infer the dog wants?

---

**Q7:** Tom's hands were trembling as he looked down at the envelope. He slowly tore it open and gasped when he read the first line.

**Question:** What can you infer about Tom's feelings before and after opening the letter?

---

**Q8:** The cafeteria smelled strongly of burnt food, and students were making faces as they carried their trays back.

**Question:** What can you infer about today's lunch?

---

**Q9:** Sofia wore a heavy coat, scarf, and gloves. Her breath was visible in the air as she walked to school.

**Question:** What can you infer about the weather?

---

**Q10:** Ben's alarm didn't go off, and he rushed around the room putting on his clothes while glancing nervously at the clock.

**Question:** What can you infer about Ben's situation?

---

**Q11:** The bookstore shelves were nearly empty, and a long line of customers stretched out the door, each holding the same novel.

**Question:** What can you infer about that book?

---

**Q12:** Ella carefully wrapped the small box in shiny paper and tied it with a ribbon. She placed it behind her back before walking into the room.

**Question:** What can you infer Ella is planning to do?

---

**Q13:** The window was open, and water pooled on the floor beneath it. The papers on the desk were damp and wrinkled.

**Question:** What can you infer happened?

---

**Q14:** Kevin sat alone at the lunch table, staring at his tray. He kept his head down as groups of students laughed across the cafeteria.

**Question:** What can you infer about how Kevin feels?

---

**Q15:** A pile of wrapping paper, empty boxes, and new toys lay scattered across the living room floor. Children's laughter filled the air.

**Question:** What can you infer just happened?

---

# ✓ Right Answers

 **Read each passage carefully. Use clues from the text and your background knowledge to make an inference. Write your answer in a complete sentence.**

**Q1:** Maria walked into the house soaking wet. She put down her umbrella and took off her muddy shoes. What can you infer happened outside?

Ideal answer: It was raining heavily outside.

**Q2:** When the teacher handed back the test papers, James smiled widely and sat up straighter in his chair. What can you infer about James's score?

Ideal answer: He got a high score.

**Q3:** The lights were off, the curtains were drawn, and the cake sat on the table with unlit candles. Everyone whispered quietly.

**Question:** What can you infer is about to happen?

Ideal answer: A surprise party is about to start.

**Q4:** Liza kept glancing at the clock and tapping her pencil on the desk. She sighed and stared at the door.

Ideal answer: She is impatient or waiting for someone.

**Q5:** After the final whistle, the players jumped up and hugged each other. Some even threw their hands in the air and cheered.

**Question:** What can you infer about the result of the game?

Ideal answer: Their team won.

**Q6:** The dog barked and scratched at the door when its owner grabbed the leash.

**Question:** What can you infer the dog wants?

Ideal answer: The dog wants to go for a walk.

**Q7:** Tom's hands were trembling as he looked down at the envelope. He slowly tore it open and gasped when he read the first line.

**Question:** What can you infer about Tom's feelings before and after opening the letter?

Ideal answer: He was nervous at first, then shocked or surprised.

**Q8:** The cafeteria smelled strongly of burnt food, and students were making faces as they carried their trays back.

**Question:** What can you infer about today's lunch?

Ideal answer: The food was burned or tasted bad

**Q9:** Sofia wore a heavy coat, scarf, and gloves. Her breath was visible in the air as she walked to school.

**Question:** What can you infer about the weather?

Ideal answer: It was very cold outside.

**Q10:** Ben's alarm didn't go off, and he rushed around the room putting on his clothes while glancing nervously at the clock.

**Question:** What can you infer about Ben's situation?

Ideal answer: He is late for something, probably school.

**Q11:** The bookstore shelves were nearly empty, and a long line of customers stretched out the door, each holding the same novel.

**Question:** What can you infer about that book?

Ideal answer: It's a very popular or newly released book.

**Q12:** Ella carefully wrapped the small box in shiny paper and tied it with a ribbon. She placed it behind her back before walking into the room.

**Question:** What can you infer Ella is planning to do?

Ideal answer: She is about to give someone a gift.

**Q13:** The window was open, and water pooled on the floor beneath it. The papers on the desk were damp and wrinkled.

**Question:** What can you infer happened?

Ideal answer: Rain blew in through the open window.

**Q14:** Kevin sat alone at the lunch table, staring at his tray. He kept his head down as groups of students laughed across the cafeteria.

**Question:** What can you infer about how Kevin feels?

Ideal answer: He feels lonely, left out, or sad.

**Q15:** A pile of wrapping paper, empty boxes, and new toys lay scattered across the living room floor. Children's laughter filled the air.

**Question:** What can you infer just happened?

Ideal answer: The children just opened presents, probably for a birthday or holiday.
