A Busy Day at School

It was the first day of school, Liam woke up early and got ready for school. He packed his bag, ate his breakfast, and waited for the school bus. When he got to school, he saw his classmates playing before the bell rang. He wanted to play with them but it was almost time for his first subject, so he just proceeded in their classroom.

Their first subject was math. Liam liked math because he was good at solving problems. After that, they read a story in English class. Then, they had art time. Liam drew a picture of a tree and colored it with green and brown crayons, he named the tree "Greeny".

At lunch, Liam sat with his best friend Noah. They shared jokes and talked about their favorite games. In the afternoon, their teacher, Ms. Hill, took the class outside for P.E. They ran, jumped, and played tag.

When the bell rang at the end of the day, Liam felt tired but happy. He learned a lot and had fun with his friends. He is very excited for tomorrow.
